

## **"Leaves are falling, Autumn is Calling!"**

---

Dear Turnabout Partners,

The past six weeks have seen a lot of changes going on around us. The season has changed and now most of the leaves are not in the trees but on the ground. There is now a sprinkling of white stuff on the ground and we are looking around at a very different landscape. As the season changes, we are reminded that our GOD does not change, which is a great reminder of HIS grace and goodness.

Another change that has happened at Turnabout is that we were able to hire a part-time Administrative Coordinator. Please feel free to stop by and say hello to Eric as you have the opportunity and are in the greater Russiaville Area. Since bringing Eric on board, we now have regular open hours for the building – 11:00 AM to 4:00 PM, Monday through Friday. We are truly blessed to have him on as our first employee.

We have had several people come into the building and seek help, and we were able to either help them directly or get them in touch with the places that can help get the issues resolved. As a resource center, we do not always have to meet the needs of the person seeking help at our location, but we can get them in touch with the people or organization that can effectively meet their needs. It is great to have resource information readily available for those seeking help with their needs.

On October 31, we had our first trunk or treat at Turnabout Community Resource Center. It was a wonderful opportunity to introduce more of our community to who we are and where we are. We had four vehicles decorated in various styles, face painting for kids and parents, as well as candy for the kids (and some parents) and goody bags for the parents.

On a personal note, my wife and I were able to attend an addiction counseling conference the beginning of November where we were able to make a lot more connections for resources that we will put into our knowledge base for helping more people in the future.

God is Good – All the Time! All the Time – God is Good
