Greetings in the name of our Lord Jesus Christ,

Thank you for your prayers and financial support for Turnabout Community Resource Center.

Partner Spotlight – The Conquer Series is a men’s small group resource that addresses the effects of pornography and unwanted sexual behaviors. It lays out biblical truth and scientific data that teaches men how to fight the battle in order to walk in sexual integrity.

With the Conquer Series you will address:

- * Strongholds that keep men in bondage,
- * The neurochemistry of sexual addiction,
- * The weapons and strategies of God,
- * Proven strategies to prevent relapse,
- * Practical daily techniques to remain free

In a world awash in pornography and a warped view of sexuality, more and more men fall prey to the enemy’s plan. What starts as a moral problem, quickly turns into a brain problem. Trying harder is the typical response which usually results in further

bondage.

There is no hope in silence, isolation, or shame. The Conquer Series group is a safe,

confidential group where men can contend together, find support and acceptance. Through this series, chains are being broken and marriages are being restored.

You don't have to fight this battle alone!

Turnabout has been blessed to see people come to know Christ and also some other people grow in their relationship with Christ as well. It has been a real blessing to see GOD working in the lives of those we have been able to touch through this organization. This morning I was driving and saw a reference to Luke 15 and I wanted to share something that happened in the past couple of months involving Turnabout. There was a little bit of conversation about if we should put a NALOXONE Box on our building. After some discussion it was decided to mount the box. Within a week of getting the box mounted a couple stopped in because they saw the box and thought "these people care about others struggling with issues". We talked for a few days and then helped them get to safe places. A few days later a pastor talked with one of us and said it was wonderful how God used Turnabout in the life of his family member. A prodigal family member moment for sure.

We are having a booth at the Howard County Stand Down on November 9 for any active duty or veteran in our area. The Stand Down is a way for veterans to see what options for all kinds of help they can get simply by having served our country either as an active duty member a reserve member or a guard member.

Thank you again for your ongoing prayer and financial support for Turnabout Community Resource Center. It is only through the prayer support and financial support that we can see the changed lives as Christ moves in the hearts and lives of the people we touch each and every day.

We do have a few needs listed below. If you can help with any of these things it would be a great blessing to us.

- * Sugar Packets
- * Coffee Creamer
- * Liquid Soap Refills for Dispensers for Hand Washing
- * Dusting Clothes
- * Lysol Toilet Cleaner

- * Clorox Cleaner Spray for Bathrooms
- * Glade Plug-Ins refills
- * Floor Cleaner for Mopping

In His Grace

May the LORD JESUS continue to work in the lives of each of us.
