

Year End Newsletter 2023

Greetings in the name of our Lord Jesus Christ,

As we come to the end of 2023 and reflect on all that God has done through Turnabout, we want to thank you for your partnership with Turnabout. God has used you – through your prayers and giving (through financial gifts, providing items on our needs list, and/or time volunteering) to make all of this possible.

Turnabout was able to extend our reach into Howard, Cass, Clinton and Tipton counties throughout 2023 with the various programs and associated ministries helped meet the needs of many people. This has been accomplished through one-on-one counseling, classes and programs at Turnabout, providing transportation to get people to rehab, and through our various partnerships.

One man I recently spoke with was so thankful for the help offered to him through Turnabout because in his words “My relationship with my family members was so broken by my addiction that my children and grandchildren were not speaking to me. Through the help offered me I was able to build trust back and those relationships are beginning to be repaired. It will be a long road but there is now hope in my life.”

Several ladies who have children that are in addiction are receiving much-needed help and love with the Divine Intervention group that provides hope and help for family members of addicts. Another new group that was started in 2023 at Turnabout is the Conquer Series. This is a group for men who are struggling with pornography and other sexual addictions. God is helping these men overcome and move to victory.

Freedom that Lasts continues to meet every Friday evening at First Baptist Church, AA meets at Turnabout on Tuesday evenings, God's Table ladies Bible study meets every other Tuesday, Amvets meets monthly, one-on-one counseling is available for walk-ins in crisis and by appointment, and there is always someone at Turnabout during business hours to show love and care to anyone that walks in the door.

In December, I completed a program through The Addiction Connection to become a "Commissioned Addiction Biblical Counselor" (CABC). This training was invaluable to help me gain knowledge and practical experience in dealing with people struggling with various addictions. Two of our volunteers are also working through this training and certification process. I am so thankful to our Lord for allowing us to help individuals and families struggling with the effects of addictions in their own lives or in the lives of family members.

The purpose of Turnabout continues to be to offer Hope, Help and Healing through Christ, Community and Connections. If we can be of any help to you or someone you know, please feel free to reach out to us at our office located at 190 N. Union Street, Russiaville, or call us at 765-753-5003.

Again, we are so thankful for you! We look forward to what God will do through you and Turnabout in 2024.
