

Turnabout Monthly Update

Greetings in the name of our Lord Jesus Christ,

Thank you for your prayers and financial support for Turnabout Community Resource Center.

I am pleased to announce that Joellen Hart has completed her training and other requirements and is now a Commissioned Addiction Biblical Counselors through The Addiction Connection. Turnabout now has 3 Addiction Biblical Counselors, and all are using this training currently with several who are struggling with life dominating issues/addictions or are family members of people struggling in addiction.

The Conquer series is a program to help men struggling with sexual or pornography addiction. This program has been going at Turnabout for several months, and several men are finding and experiencing freedom. We now have the ability to help women who are struggling with pornography or are hurting because they have a loved one in addiction. Please reach out to me for more information.

We are planning our 2nd annual block party, which will be held on Wednesday July 17 from 6:00 to 8:00 PM. If you would like to help by sponsoring a game, food, or other activity, please contact our office. We offer all games and food at no charge to the community in an effort to show love and let them know that Turnabout wants to love them and help in any way. Organizations that participate by providing a game, activity or food item can also provide advertising for their organization.

Save the date! Lifeline 2024 will be held at the Stout Community Center in Russiaville on August 9th at 6 p.m. Interested in being a sponsor? Information about sponsorships can be found here: [Lifeline Turnabout 2024](#)

 - New Addiction Helps group that meets on Sundays at 4 pm at Turnabout
 - A man who recently lost his job because of his addiction; he is seeking help and counseling from Turnabout to overcome his addiction and have victory in his life
-

Thank you again for your ongoing prayer and financial support for Turnabout Community Resource Center. It is only through your prayer and financial support that we can continue help people and see changed lives as Christ moves in the hearts and lives of the people we touch each and every day.

We do have a few needs listed below. If you can help with any of these things it would be a great blessing to us.

May the LORD JESUS continue to work in the lives of each of us.

In His Grace
